Making Disciples...Making A Difference

Dear Parents,

We are pleased to announce that re-enrollment for the 2024-2025 school year will begin on February 19, 2024, for those families whose accounts are up to date. We are asking for you to make your re-enrollment commitment early to help us determine our budget, programming, and staffing needs. We are also going to need to make caps on classes due to the classroom sizes. At this time, we have room for all current students to re-enroll, but some classes will be at the capping point.

At the January Board meeting, the Board set the tuition, book, and fee rates for the 2024-2025 school year. The decision was made after prayer and carefully considering the effect on family budgets, as well as on the school budget. The Board also took into consideration: previous tuition increases over the last five years, the current inflation rate, the projected inflation rate over the next year, and the potential impact on each family's monthly payment. To help families better understand the 2024-2025 tuition costs, we have included the chart below.

## 2024-2025 COST (PER STUDENT)\*

Grade	1st Student	2nd Student	3rd Student	4th Student & up
Pre-K - K	\$4100.00	\$3300.00	\$2000.00	\$1000.00
1st - 4th Grades	\$4700.00	\$3800.00	\$2600.00	\$1000.00
5th - 8th Grades	\$5100.00	\$4200.00	\$3000.00	\$1000.00
9th - 12th Grades	\$5600.00	\$4700.00	\$3700.00	\$1500.00

To benefit our families, we will continue to offer a 5% discount when tuition is paid in full at/or by Parent Orientation in August, as well as the family capped cost of \$12,000.00\*\*.

\*Your oldest student is at the "1st student" price, your next oldest student is at the "2nd student" price, etc.

\*\* Family tuition cost capped at \$12,000

If this increase jeopardizes your student's return to Skeels in the fall, please reach out to Mrs. Owens to see if we can be of assistance.

**SCS Financial policy will also be updated. If you are a split family, the guardian/parent that enrolls/re-enrolls a student will be considered the "responsible party".**

SCS is experiencing a great academic year. As we look toward next fall, we hope that each student will continue their education as an Eagle. We trust that each family will prayerfully consider returning to SCS next year!

Serving Him,
